Library Services to People with Special Needs Section

Division: Library Services

The Section for Library Services to People with Special Needs provides an international forum for the discussion of ideas, sharing of experiences and development of tools designed to promote and improve the effectiveness of library and information services to special needs groups, and the promotion of national and international cooperation at all levels.

These groups include, but are not limited to, people who are in hospitals, nursing homes, and other care facilities; people in prisons; people who are experiencing homelessness; people with physical disabilities; people who are deaf, hard of hearing, or deafblind; people with dyslexia; and people with cognitive and mental disabilities.
